

Manson School District

Monthly Policy Review-Worksheet

Policy: Ends I-2c Social Skills Development

The Mission of the Manson School District is “*Continuous Student Learning*”

We envision a compassionate and challenging environment where students:

- Are valued as individuals;
- Stretched to achieve their full potential;
- Understand and contribute to the world they live in;
- Acquire the social skills to be successful in a complex and rapidly changing world;
- Are well nourished, safe and nurtured.

<i>Accordingly students will:</i>	No Revision Needed	Revision Needed
a. Respect diversity and develop an awareness of other cultures;		
b. Be able to think critically and seek information in order to make responsible individual choices regarding sexuality, cyber use and civic involvement;		
c. Develop the character qualities of respect, compassion, honesty, persistence, integrity and service to others;		
d. Be effective communicators who utilize active listening, probing questions and collaborative practices; and.		
e. Be responsible team members who can think flexibly, are reliable, and exercise creativity in problem solving.
