

## ENDS - I

### MANSON SCHOOL DISTRICT BOARD POLICY

#### **Global Ends Policy**

**Mission Statement:** The mission of the Manson School District is *Continuous Student Learning*.

**Vision:** Manson School District empowers students through a robust education valuing academic excellence and vocational attainment. We foster a safe and dynamic environment where every student can succeed in their chosen path and develop essential life skills.

**ENDS 1 - Educational Excellence through continuous student learning:** We strive for the highest standards in both academic education and career readiness, ensuring students achieve their full potential through tailored learning pathways.

All students will:

- 1.1 Demonstrate continuous growth towards meeting/exceeding rigorous learning standards. Demonstrate literacy and learning in all academic, career-focused, and elective subjects.
- 1.2 Key benchmarks of measuring student learning are 3rd grade reading proficiency, 5th grade math proficiency, 8th and 9th grade Algebra competency, 11th grade science proficiency, career/college pathway completion, and post-secondary student outcomes.

**Ends 2 - Personal and Professional Continuous Student Learning:** We commit to nurturing flexible thinkers and skilled professionals who are well-prepared for life beyond high school.

All students will:

- 2.1 Demonstrate continuous personal growth towards exploring personal passions including but not limited to arts and recreation, leadership skills development, and second language acquisition.
- 2.2 Demonstrate continuous professional growth towards critical thinking skills, collaboration with others, and the effective, responsible, and ethical use of technology.

**Ends 3 - Continuous Student Social Skills Learning and Development:** We prioritize the cultivation of strong social skills, preparing students to communicate effectively, collaborate, and resolve conflicts in a diverse and interconnected world.

All students will:

- 3.1 Demonstrate as individuals an appreciation of cultural diversity, respect for self and others, and contribute to a culture of belonging for self & community.
- 3.2 Demonstrate as community members involvement in the community, citizenship, and stewardship of the environment.
