

2022-2023 – Out of Endorsement Teaching Plan – Phil Fournier

Mr. Fournier is teaching an EWU Sociology course. Phil has a MS social studies endorsement, college level sociology credits and has been approved by Eastern to teach this course for college credit. However, he does not have a high school endorsement that meets Federal Title II requirements. Thus, he will begin working on adding the additional humanities/social studies endorsement or preparing for the West-E test.

Plan for becoming endorsed:

1. Mr. Fournier will be provided the Sociology proficiency standards from EWU.
2. Mr. Fournier will be provided ample time to prepare for his lessons.
3. Mr. Fournier will have professional development funds allocated to him to enroll in courses/conferences/assessments leading towards the new endorsement.
4. Mr. Fournier will have the opportunity to purchase additional instructional materials.

Expected date to receive endorsement: 2025-26 school year

Phil Fournier, Teacher

Yvonne Walker, District Representative

Kamie Kronbauer, Principal
