

2021-2022 – Out of Endorsement Teaching Plan – Kate Sorenson

Ms. Sorenson is teaching an EWU Philosophy course. She has a minor in Philosophy from Harvard University and has been approved by Eastern to teach this course for college credit. However, she does not have a high school endorsement that meets Federal Title II requirements. Thus, she will begin working on adding the additional humanities/social studies endorsement.

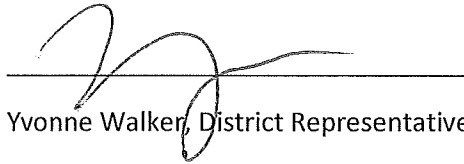

Plan for becoming endorsed:

1. Ms. Sorenson will be provided the Philosophy proficiency standards from EWU.
2. Ms. Sorenson will be provided ample time to prepare for her lessons.
3. Ms. Sorenson will have professional development funds allocated to her to enroll in courses/conferences/assessments leading towards the new endorsement.
4. Ms. Sorenson will have the opportunity to purchase additional instructional materials.

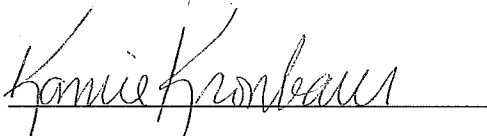

Expected date to receive endorsement: 2024-25 school year
