

## WAIVER OF HIGH SCHOOL GRADUATION REQUIREMENTS

The board seeks to provide all students with the opportunity to complete graduation requirements without discrimination and without disparate impact on groups of students. In so doing, the board acknowledges that circumstances may arise that prevent a student from earning all twenty-six credits required for high school graduation. Such circumstances may include, but are not limited to, the following:

- Homelessness;
- A health condition resulting in an inability to attend class;
- Limited English proficiency;
- Disability, regardless of whether the student has an individualized education program or a plan under Section 504 of the federal Rehabilitation Act of 1973;
- Denial of an opportunity to retake classes or enroll in remedial classes free of charge during the first four years of high school;
- Transfer during the last two years of high school from a school with different graduation requirements; ~~and~~
- In or have been released from an institutional education facility; and
- Other circumstances (e.g., emergency, natural disaster, trauma, personal or family crisis) that directly compromised a student's ability to learn.

The board delegates to the superintendent or his/her designee discretion to grant a waiver of a maximum of four elective credits required for graduation. A student's parent/guardian or an adult student must request in writing to the superintendent's office no later than thirty days prior to the student's scheduled graduation date. In order to graduate, students granted a waiver must earn seventeen required subject credits (four English, three Math, three Science, three Social Studies, two Health and Fitness, one Arts, one Career and Technical Education) which may be by satisfactory demonstration of competence as provided by WAC 180-51-050.
